

## GLOBAL CREDIT REPORTS

### NOW YOU CAN COVER THE WORLD! SCREEN WITH GLOBAL CREDIT REPORTS From RENTCHECK

We're proud to offer our customers verified **Global Credit Reports** sourced from accredited international bureaus in over **230** countries — including India, Pakistan, the UK, Australia, Germany, France, Morocco, and *many more*.

#### When do I need to access international credit information?

- To screen mature adults with substantial financial and career experience outside of Canada,
- To screen recent Canadian citizens or landed immigrants who have few domestic credit records,
- To screen individuals who have resided in multiple locations in Canada and other countries,
- To screen individuals who require deeper risk assessment.

#### What do Global Credit Reports offer me?

- Authenticated and legally compliant data seamlessly comparable to domestic sources,
- Credit scoring aligned with local and domestic sources (where available),
- Greater insight into past credit history and future risk potential.

#### How much do Global Credit Reports cost?
