

USA Driver's Abstracts

Add more depth to USA screening searches with American driver's abstracts

A driving record can reveal both positive and concerning behavior patterns that should be part of a deeper screening process, especially when backgrounding potentially high-risk individuals.

Administered by state DMVs (Department of Motor Vehicles) Driver's Abstracts/Driving Records contain details such as: **verified personal information, violations, license suspensions**, etc.

REPORTS RECEIVED ONLINE WITHIN 2 SECONDS 24/7
